

**ARE YOU A MEMBER?**

Yes

**WHY ARE YOU INTERESTED IN SERVING ON THE BOARD?**

I have concerns about the direction that KAFM appears to be heading, primarily in terms of financial health, membership/listenership, and volunteerism. I believe that a coordinated approach within the membership and management combined with an expanded educational/collaborative effort in the greater community are means for ensuring the health and longevity of KAFM. I would like to help with these efforts.

**WHAT SKILLS AND EXPERIENCE DO YOU BRING TO THE BOARD?**

**ANY OTHER ASPECTS OF YOUR BACKGROUND/EXPERIENCE YOU THINK IS IMPORTANT TO KNOW?**

While I did not participate in the founding and startup of KAFM, I joined early as a programmer and volunteer. I have seen Board members and Executive Directors come and go, as well as experiencing the ebbs and flows of the organization. I have not participated directly in the management of the radio station to date, but I have been aware of operational changes and their effects over the years.
