

Board of Directors

The role of the Grand Valley Public Radio Company (KAFM) Board of Directors is to provide strategic and operational oversight and direction to the Executive Director in fulfillment of KAFM's mission. The Board is responsible for:

- **Emphasizing an outward vision for KAFM** that focuses on delivering high quality programs that fulfill the musical and cultural needs and interests of the Western Colorado Grand Valley community.
- **Developing a long-term strategy** that helps the station grow and prosper.
- **Maintaining a clear distinction between the respective roles of the Board and the Executive Director**, with the Board focusing on strategic and policy issues and the ED being responsible for day-to-day operations and management of all station business.
- **Directing, controlling and inspiring the organization through the establishment of policies** that match station mission and goals and reflect sound values and business practices. The Board's major policy focus is on long-term strategic outcomes rather than the administrative or programmatic means of carrying out these policies.
- **Overseeing the performance of the Executive Director.** The Board is ultimately responsible for ensuring that the ED performs his/her job duties in a professional and timely way. While the ED has broad latitude to determine the best means to carry out station operations, the Board will serve as a sounding board and source of expertise and advice to support the ED in fulfilling his/her role.
- **Ensuring adherence to sound fiscal policies and practices** through regular review of KAFM's financial activities, involvement in developing and approving annual operating budgets, approving major capital expenditures, and ensuring external audits and reviews are conducted as appropriate.
- **Continually developing Board members and improving Board practices** so as to strengthen the Board's ability to fulfill its role effectively, including providing orientation to new Board members in a timely way.
- **Encouraging diversity of viewpoints and respect for all parties associated with KAFM**, including fellow Board members, employees, volunteers, members of KAFM, underwriters, and the community at large.
